Mr. Alvin Alonso Barnett  
Mrs. Aixa Serracin  
IIA Panama

Dear Mr. Alvin Alonso Barnett, Mrs. Aixa Serracin and Board members:

It is my pleasure to confirm that The IIA Institute Relations Committee approved to change the status of your chapter from Institute-in-Formation to **Institute**. This change is effective as of December 11, 2013.

On behalf of Institute Relations Committee, I want to congratulate you on this accomplishment. The status of IIA Institute demonstrates that **IIA Panama** has met the requirements and maintained compliance with the IIA institute agreement during the “in-formation” years. We hope that you will continue to grow your membership and expand your services. This achievement also demonstrates the ongoing dedication of your leadership and members to The IIA and the profession of internal auditing.

I look forward to the participation of your leaders in future International Conferences and leadership events. I share your pride and joy and wish you all the best in your future initiatives.

Attached please find your new Charter.

With best regards,

Sylvia Gonner  
Vice President, Global Relations
